

ESET Endpoint - Nadogradnja na novu verziju - Samostalna (bez ESET Protect servera)

Tema

Nadogradnja ESET-ovih programa poslovne kategorije, ESET Endpoint Antivirus (EEA) i/ili ESET Endpoint Security (EES) na najnoviju verziju u situacijama kada nemate pri ruci ESET Protect server / konzolu.

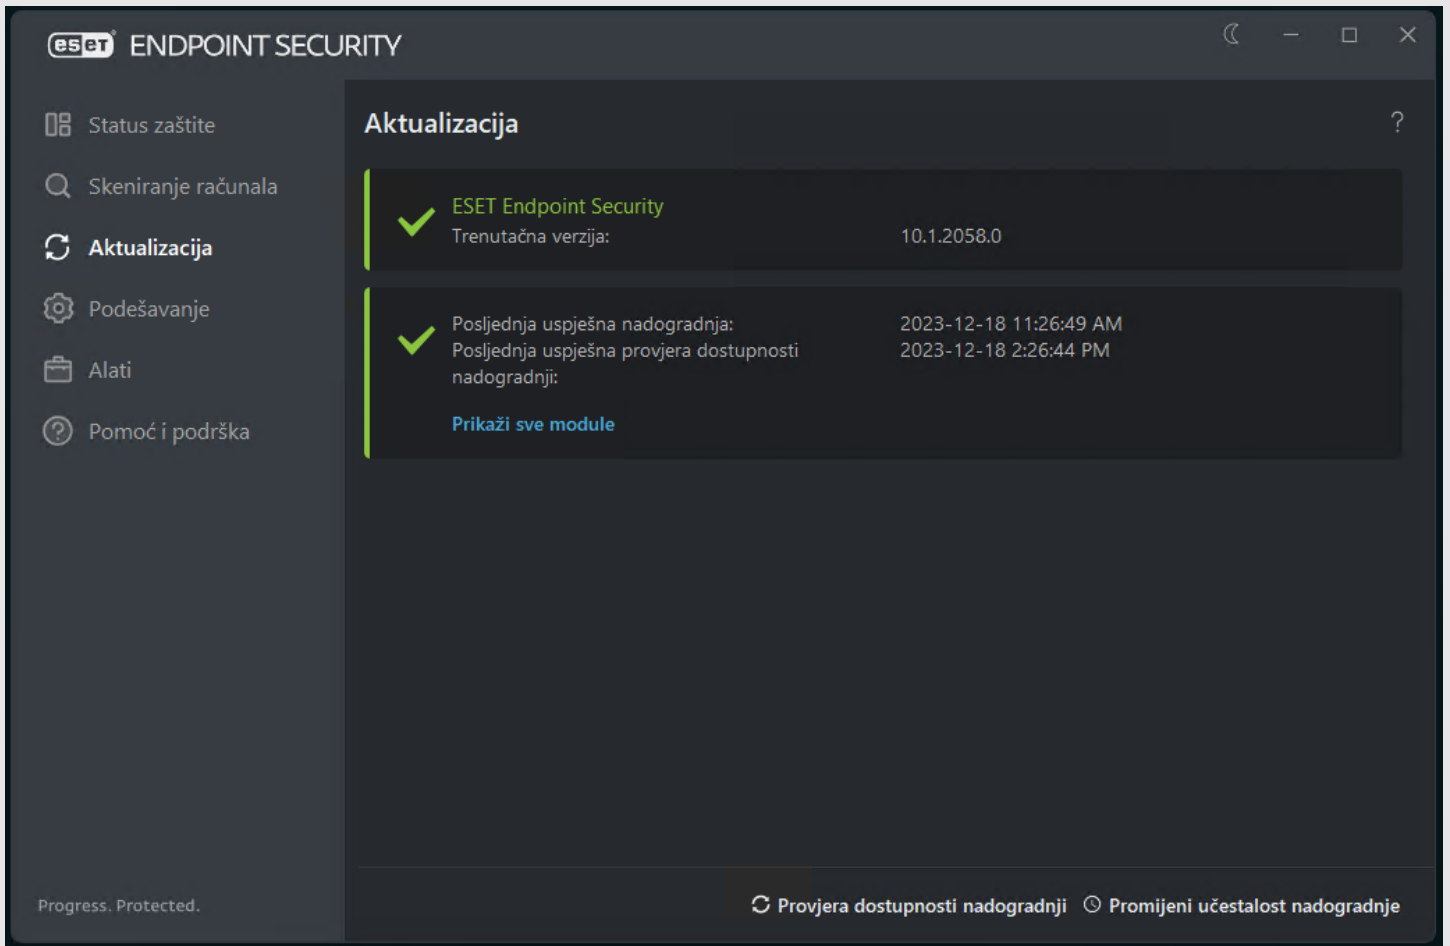

Postupak

Otvorite program:

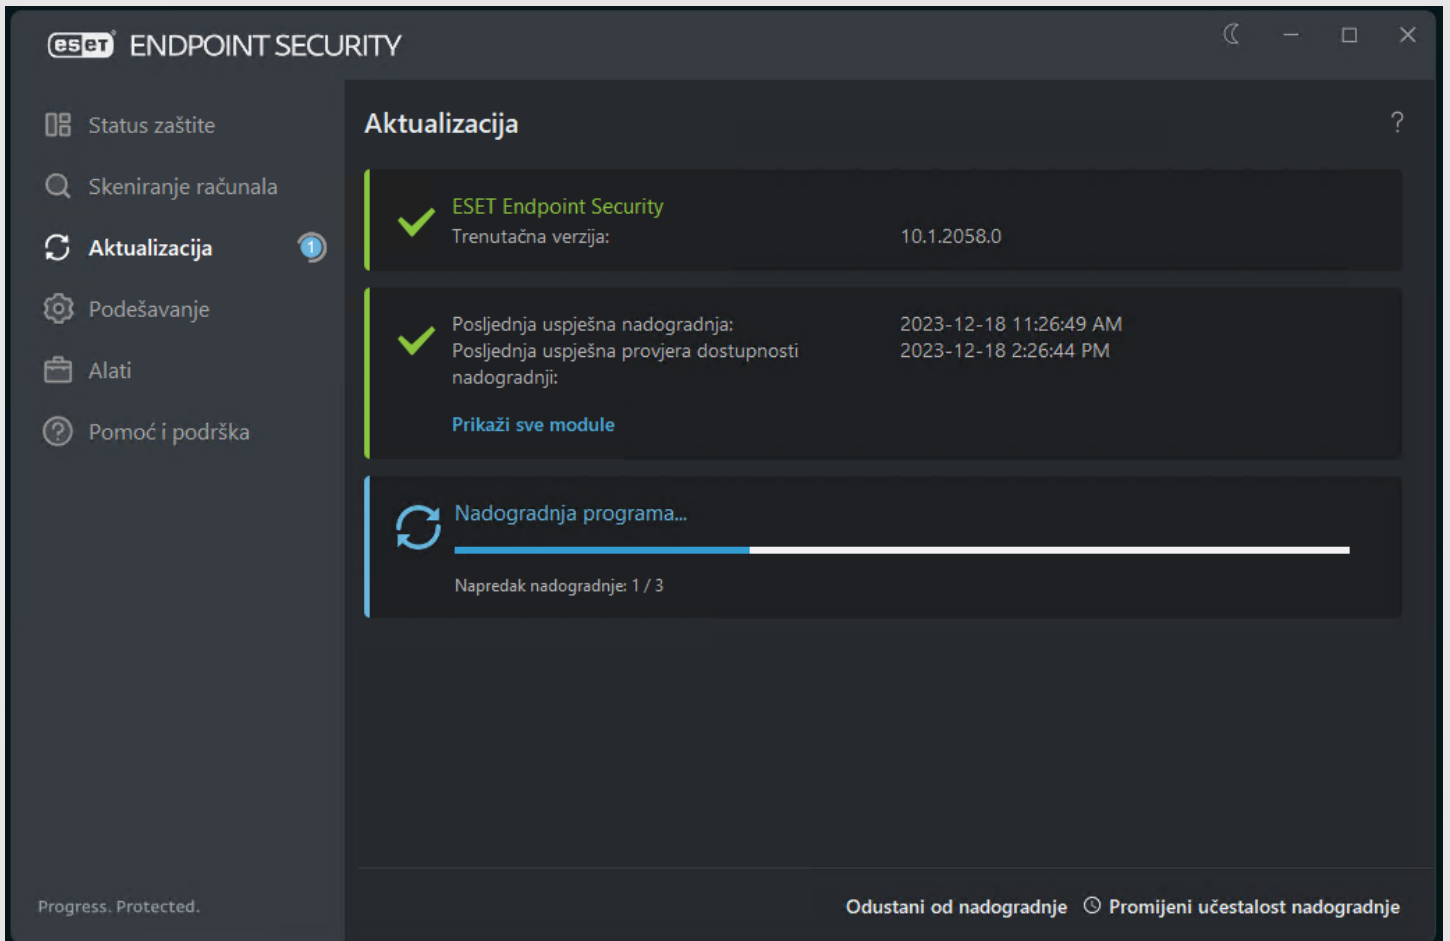

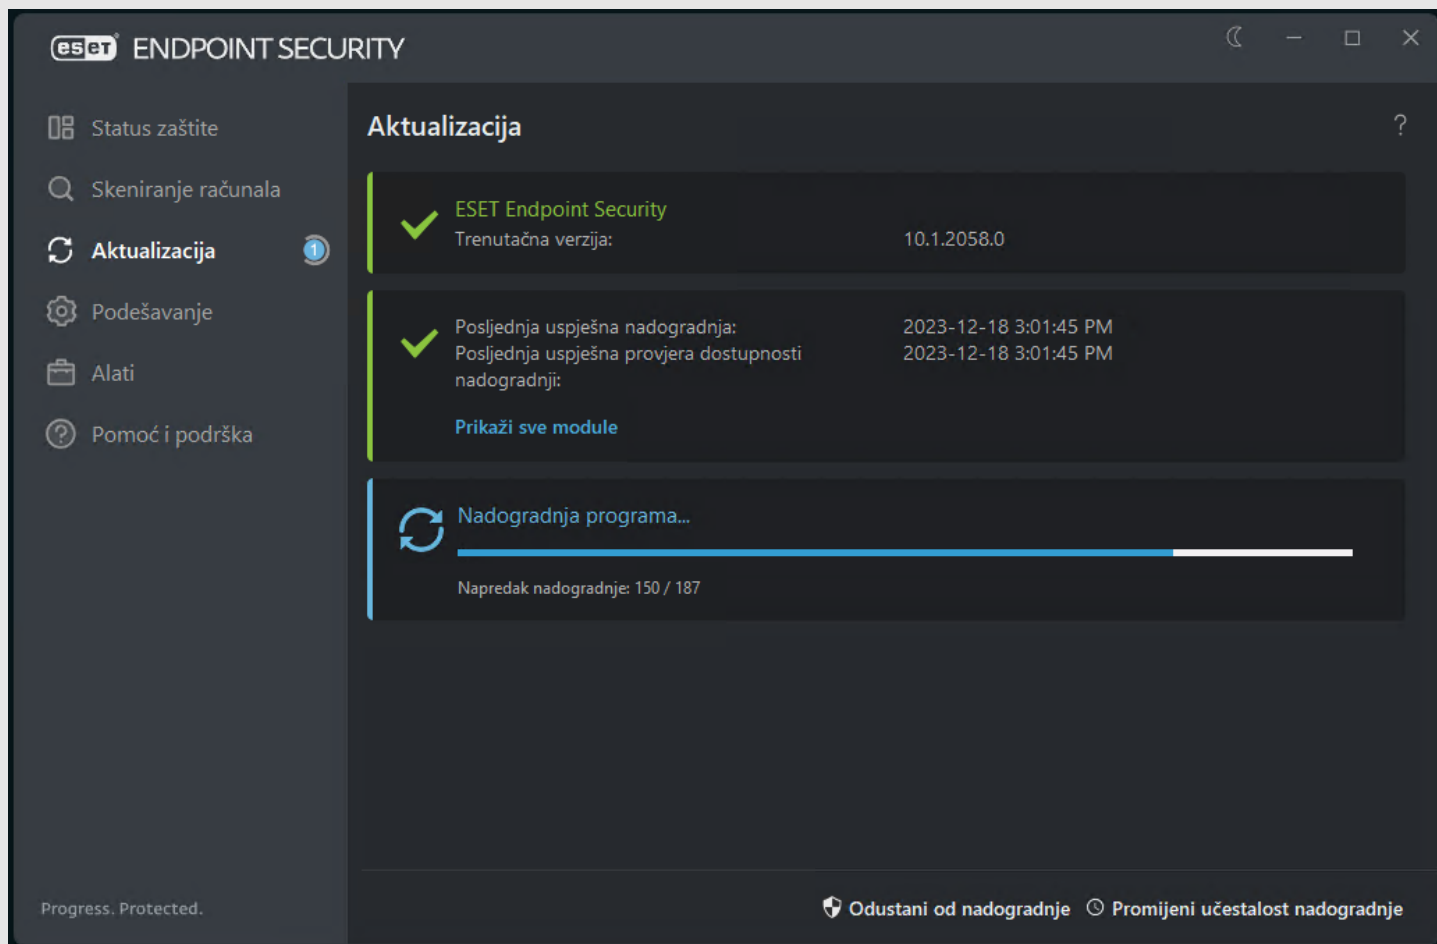

Kliknite na "Aktualizacija"

Kliknite na "Provjera dostupnosti nadogradnji"

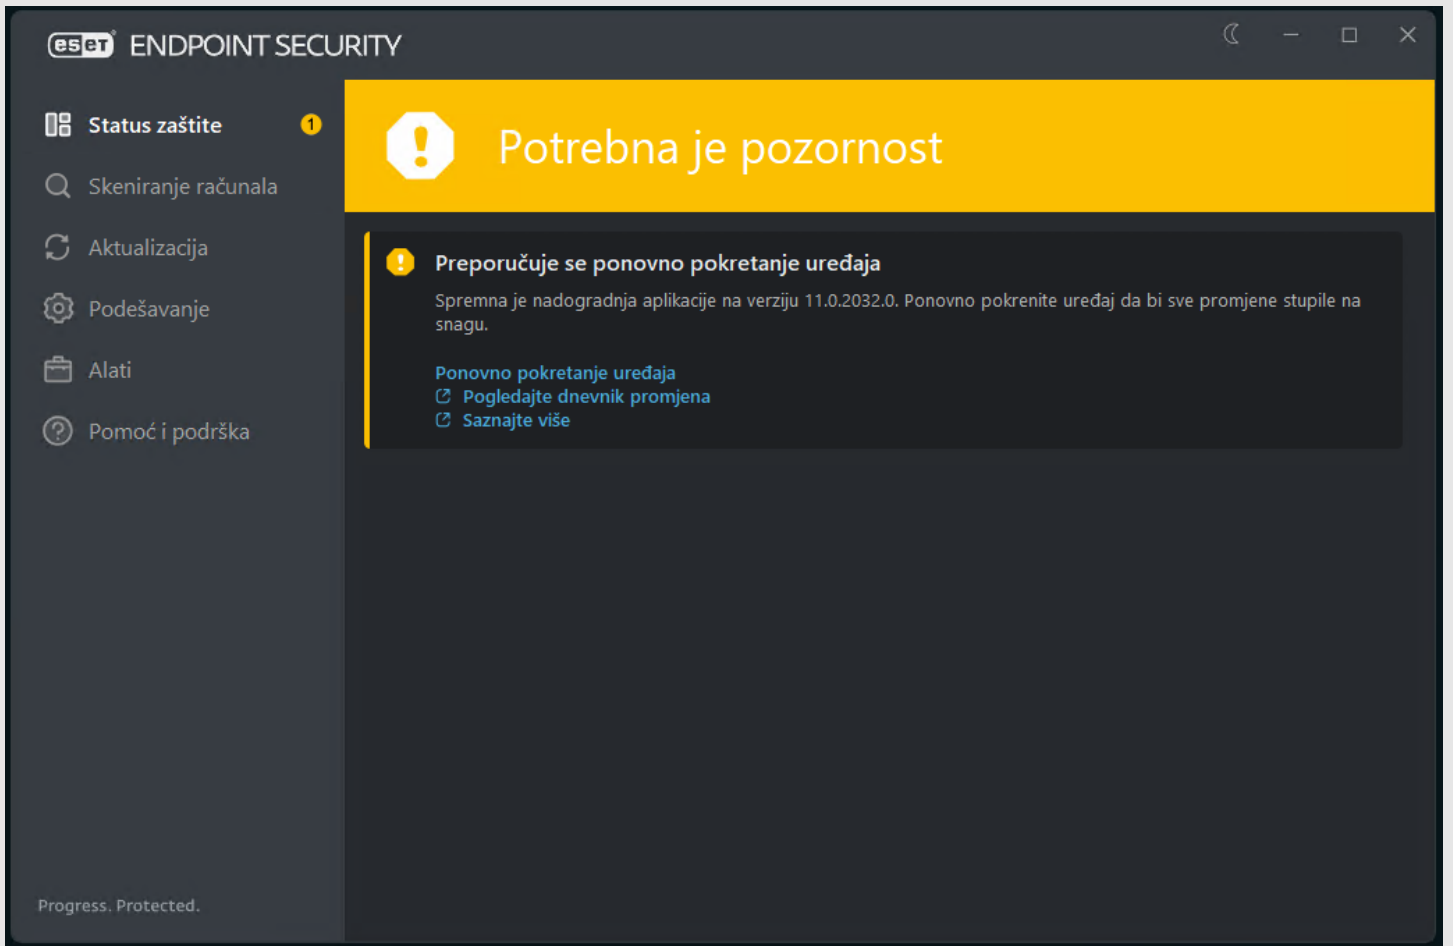

Pričekajte da se program ažurira (ako postoji novija verzija)

Restartajte računalo:

endpoint ep eea ees nadogradnja upgrade xendpoint xep xeea xees xnadogradnja xupgrade standalone xstandalone
