

EPCA ESET Parental Control for Android Deinstalacija (Uninstall)

Na uređaju djeteta / Child-device

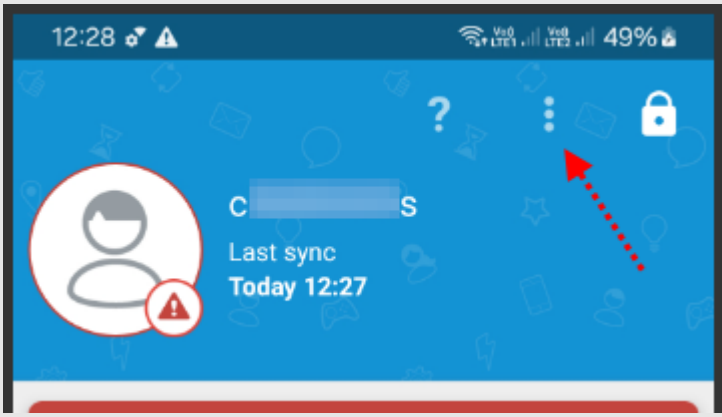

- Otvorite EPCA
- Dodirnite “zupčanik”
- Dodirnite “Parental settings”:

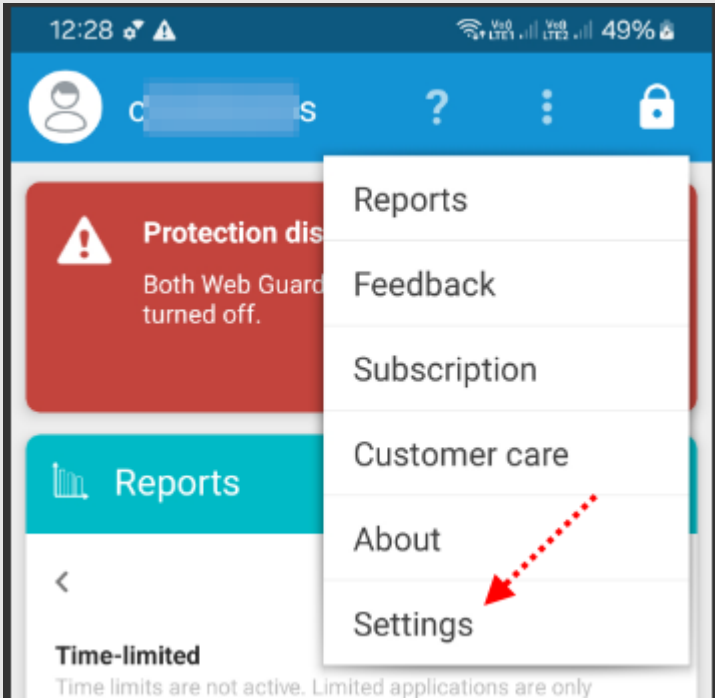

- Upišite mail i lozinku ESET Home računa
(ako ju ne znate, slijedite postupak “Forgotten password” i postavite novu):

A screenshot of the "Parental settings" login screen. The top status bar shows 12:16, signal strength, Wi-Fi, and 48% battery. The header is blue with a gear icon and the text "Parental settings". Below the header, there is a white area with the text: "Enter your ESET HOME account password to manage your Parental Control settings. Parental Control will lock automatically after leaving the application." There are two input fields: "Email" with the text "a [redacted] e@gmail.com" and "Password" with a redacted field and an eye icon. At the bottom, there is a link that says "Forgotten password?".

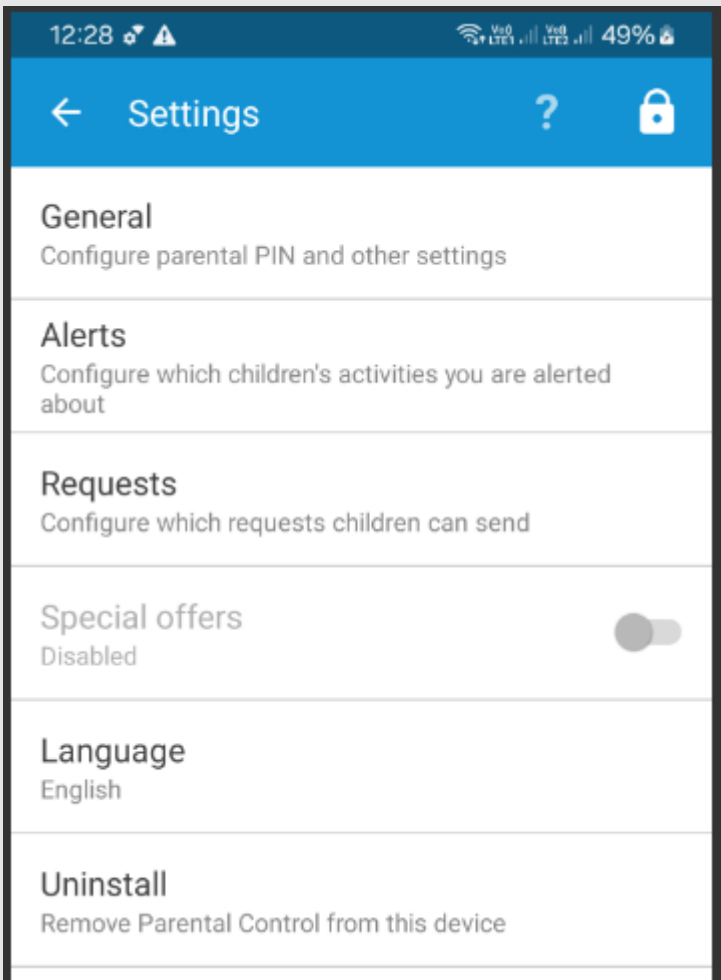

- Dodirnite “hamburger” izbornik:

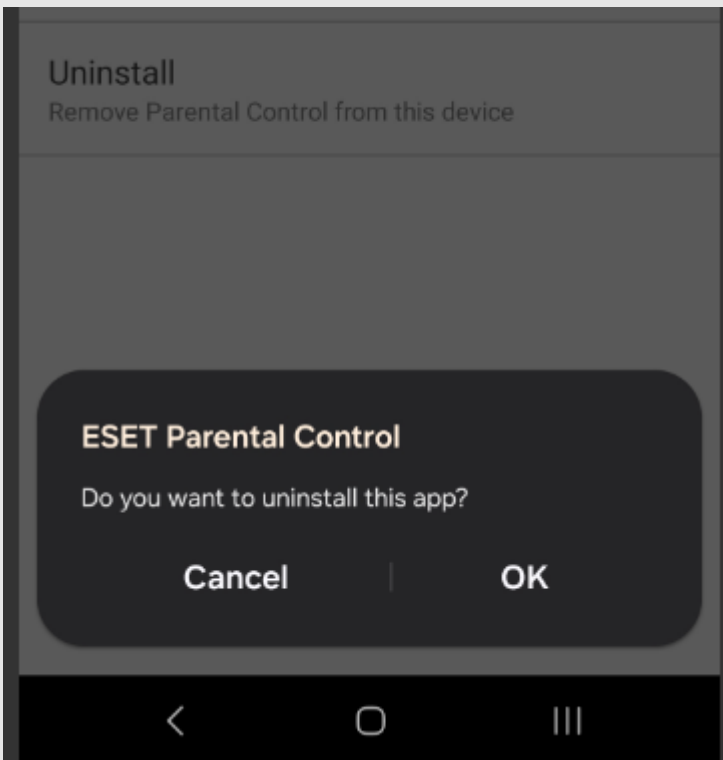

- Dodirnite “Settings”:

- “Uninstall”:

- Potvrđite:

Na uređaju roditelja / Parent-device

Samo Settings >> Uninstall ili

slijedite redoviti postupak za uklanjanje Android aplikacija.
