

Kako otvoriti glavni prozor programa ESET Mobile Security za Android?

Program

ESET Mobile Security za Android (EMSA)

Pitanje

- Kako pokrenuti program / otvoriti glavni prozor

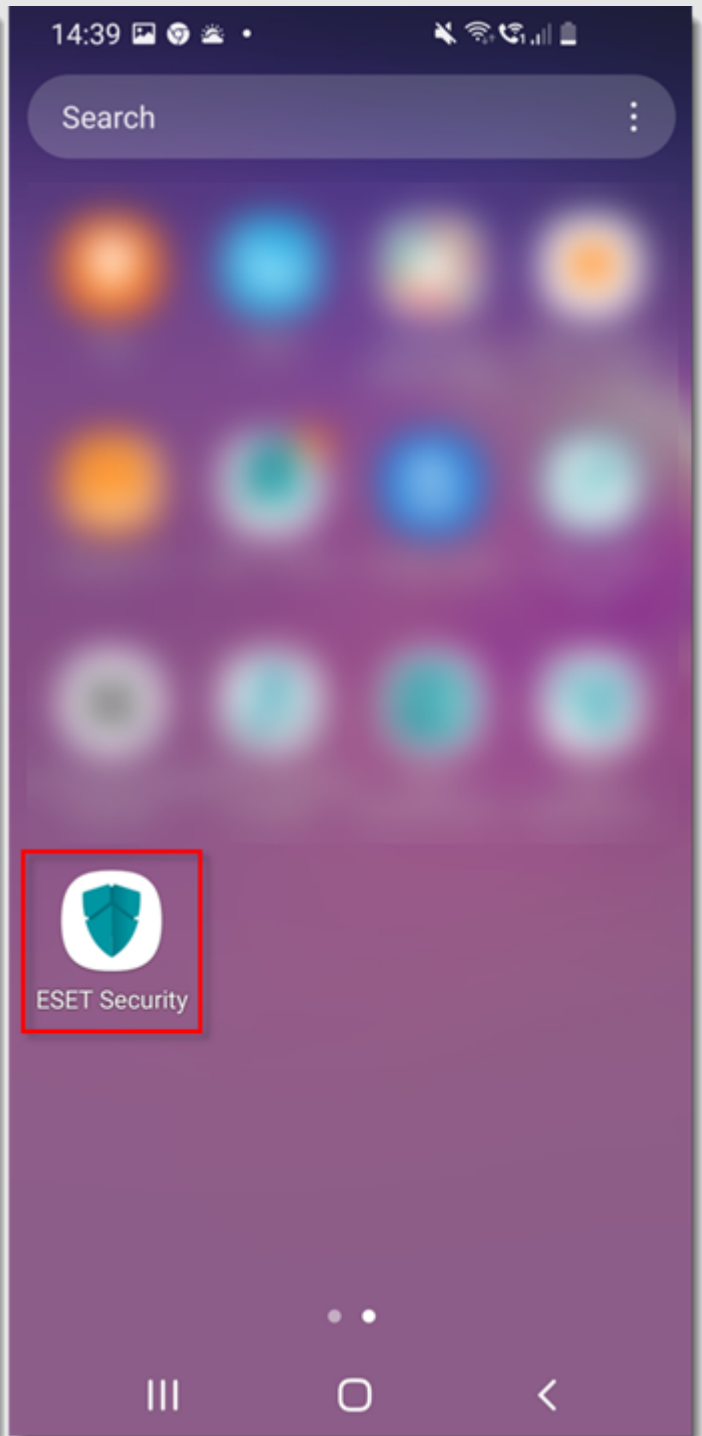

Rješenje

1. Otvorite prozor All apps i dodirnite ikonu ESET Security
(Za starije verzije ESET-ovog programa Mobile Security).

Koraci za otvaranje prozora All apps variraju ovisno o verziji Android operativnog sustava na Android mobilnom uređaju koji koristite.
