

EBA - ESET Business Account

Zaboravljena lozinka

Tema

Zaboravili ste lozinku za novi portal EBA (ESET Business Account).

Postupak

- otvorite stranicu <https://eba.eset.com>
- kliknite na "Forgotten password" (Sl.1)
- upišite e-adresu na koju je otvoren EBA račun (Sl.2)
(to ne mora biti e-adresa na koju glasi licenca)
- ako ste upisali ispravnu e-adresu, poruka s uputama će biti poslana na nju (Sl.3)

Razno

- Mi nemamo vašu lozinku i ne možemo vam ju poslati.
- Poruka s linkom na kojemu ćete moći postaviti novu lozinku obično stiže "u roku odmah", no, internet je to i može se dogoditi da ponekad potraje i sat-dva. Budite strpljivi i nemojte uzastopno tražiti.
- Iz sigurnosnih razloga, portal će napisati da je poslao e-mail čak i ako ta e-adresa nije u bazi, stoga – pazite kako upisujete.
